Dear Junior PCC Applicant,

Thank you for your interest in becoming a Junior Peer College Counselor (JPCC). This job is a great way to educate your classmates while learning about the college admission process. JPCCs serve three-semester terms: second semester of junior year and both semesters of senior year. Every JPCC applicant will be interviewed by a Senior PCC, Mrs. Shano, Mrs. Yi, and Mrs. Bieber. Ten to 12 students will be chosen from the applicant pool. Selected JPCCs will need to be available during nutrition, lunch, and after school for events and meetings. It is preferred that JPCCs have an open period between periods 1-6.

Please attach your answers to the following question on a separate sheet of paper. Please be sure to type your responses.

1. List three adjectives about yourself and describe how it will aid others if selected as a PCC.
2. List your extra-curricular activities in and outside of school.
3. What sets you apart from other applicants?
4. What do you know about college admission processes for the UC, CSU, or Private/Out-of-State schools? What are the differences? Similarities?
5. Is there any additional information about you/your talents that may help you stand out from other applicants?
6. If you were referred by a Senior PCC, please let us know who.

Fill out the application and provide a letter of recommendation from a teacher or a counselor. Please ask your recommender to submit the letter directly to the College Office by October 30, 2016. Interviews will be conducted during the following 2 weeks after applications are turned in. You will receive notification of your interview date.
