Tuition and Financial Aid

- 57% of all CA residents receive aid covering 100% of their tuition and fees
- UC awards more Pell Grants at a much higher rate than average for public or private universities
- Average debt upon graduation is about $20,000
Personal Insight Questions

- Students choose to respond to questions that best apply to them
- Responses were distributed equally
- The personal insight question video and worksheet are excellent tools to assist students in forming their responses to the questions
