Campus Specific Information

About the Transfer Admission Guarantee (TAG)

Six UC campuses offer guaranteed admission to California community college students who meet specific requirements.

By participating in a Transfer Admission Guarantee (TAG) program, you will receive early review of your academic records, early admission notification and specific guidance about major preparation and general education coursework.

You may begin using this site at any time in your preparation for transfer to UC. Once you are ready, you can submit your TAG at any time during an open filing period, as noted on this page.

The TAG matrix (PDF) contains campus-specific information for all six UC TAG campuses. Use the links at the right to review the TAG requirements for the campuses you are interested in. If you have questions or are unsure about your ability to meet these criteria, consult with your community college counselor.

Your TAG application consists of completing three areas on this site: My Information, My Coursework and My Exams. These areas can be accessed using the navigation above. At any time you may click Review to see how your TAG application is progressing. When a TAG filing period is open, you may submit your TAG by selecting the term, campus, and major below and clicking "Start TAG Submission".

TAG Term & Campus Choice

If you are interested in applying for a TAG, please review the TAG criteria for each campus below. You will need to agree to each item during the TAG submission process.

Select the UC TAG campus and major to which you are seeking a guarantee. Your TAG application is limited to a single UC TAG campus.

Please note: The majors offered for a TAG might not include all those offered by a campus during the UC application filing period.
