WACAC
Share, Learn, Connect 2018

March 2018
150 Years of Teaching, Research, and Service!

- The University of California was established in March 1868.
- Since inception, UC has served the needs of students and communities across a large and geographically diverse state.
California resident enrollment is at an all-time high
UC is a Place for All Students
More Affordable Than You Might Think

- 57% of all CA residents receive aid covering 100% of their systemwide tuition and fees
- UC awards more Pell Grants at a much higher rate than average for public or private universities
Support of Basic Needs
Commitment to Transfer Students
Resources for Counselors

- Subscribe to UC’s admission newsletter, UC Counselors and Advisers Bulletin: https://tinyurl.com/ybj7a3ar

- A wealth of information: www.universityofcalifornia/info center

- Latest UC News: www.universityofcalifornia.edu
Questions?

Future systemwide questions can be sent via email to: AskUC@ucop.edu
